## Rental Details

The Villa Mango Bay is a truly special beachfront villa set within spectacular tropical gardens on a quiet stretch of Barbados' west coast. Often described as one of the island's most beautiful private homes, this elegant coral stone residence was designed by the legendary Oliver Messel and has been lovingly maintained to preserve its timeless charm. The villa blends classic Caribbean architecture with a calm, refined atmosphere, offering guests a sense of privacy, space, and understated luxury in a stunning seaside setting.
