Rental Details

The Villa Kishti East embodies luxurious modern design on Meads Bay, Anguilla's most celebrated beach. This six-bedroom oceanfront sanctuary—designed by renowned architect Cecconi Simone—celebrates transparency and light through floor-to-ceiling windows and sliding glass doors. Contemporary furnishings balance sophistication with warmth; sophisticated neutral palettes allow Caribbean light and ocean views to command visual attention. The villa achieves rare architectural harmony: grand scale without coldness, luxury without pretense. Positioned directly on Meads Bay's pristine sand, guests wake to one of the Caribbean's finest beach vistas. This is a sanctuary for those seeking contemporary elegance combined with world-class beach location.
