Rental Details

The Villa St. Helena is a charming beachfront villa that captures the elegance and character of classic colonial Caribbean living. Set within lush tropical gardens on a picturesque west coast beach, the property offers a sense of timeless charm and relaxed sophistication. Originally designed by the celebrated Oliver Messel and later sensitively renovated by renowned Barbadian architect Larry Warren, the villa blends historic architectural detail with modern comfort. Tastefully furnished and thoughtfully laid out, St. Helena feels welcoming and refined, offering a true home-away-from-home atmosphere in a beautiful seaside setting.
