Rental Details

The Villa Shoestring is a distinctive beachfront villa set directly on the pristine sands of Gibbes Beach in St. Peter, Barbados. Surrounded by mature tropical trees and the turquoise waters of the Caribbean Sea, this architecturally striking home offers a refined yet relaxed island retreat. Inspired by the traditional Barbadian chattel house, the villa blends local heritage with modern design. Bold architectural layering, expansive louvre windows, and oversized glass doors maximise natural light while framing uninterrupted garden and sea views. Smooth granite finishes, clean lines, and a minimalist palette create a calm and sophisticated ambience throughout.
