Rental Details

The Villa Alila is an exceptional four-bedroom luxury villa located within the exclusive Sandy Lane Estate on Barbados' west coast. Designed by acclaimed architect Michael Gomes, this private retreat blends Balinese-inspired design with modern Caribbean living, creating a calm and elegant sanctuary surrounded by lush tropical gardens. Earthy tones, natural materials, and thoughtful architectural details define the villa's Zen-like atmosphere. The open-plan layout effortlessly connects the enclosed courtyard garden with the pool deck, dissolving the boundary between indoor and outdoor living.
