Rental Details

The Villa Sapphire, a beachfront colonial-style villa built in 1987, graces the stunning shores of Simplicity Bay, offering breathtaking views of the Atlantic Ocean. Over the years, this exquisite villa has played host to a prestigious roster of celebrity guests, dignitaries, and even royalty, solidifying its sought-after destination on the island's social scene. The expansive living room is tastefully adorned, providing a luxurious setting for relaxation and entertainment. For cosy evenings spent indoors, an extensive collection of videos and music awaits, ensuring delightful leisure moments within this remarkable retreat's comforts.
