Rental Details

The Villa Taliesin was meticulously crafted as a haven for friends and families to create cherished memories, whether through lively gatherings, tranquil retreats, or simply basking in the serene elegance of its surroundings. This expansive contemporary villa spans an impressive 30,000 square feet, gracing the eastern portion of the island with breathtaking views of Lime Kiln Bay. Designed by renowned architect Jack Diamond, the villa draws inspiration from the iconic Frank Lloyd Wright. Its inviting spaces include a dining room, a living room, and an entertaining room.
