Rental Details

The Villa Landmark House is one of only three private villas positioned directly on the exclusive Sandy Lane Beach, making it one of the most coveted addresses on Barbados' platinum west coast. Set within mature tropical gardens and built primarily of local coral stone, this distinguished property combines classic island architecture with refined comfort and an enviable beachfront setting. The villa's design centres around a spacious open-plan living area that flows naturally toward the gardens and sea beyond. A separate dining pagoda provides an elegant space for meals, whether enjoyed casually during the day or formally in the evening.
