Rental Details

The Villa Marina 360 is a beautifully positioned two-bedroom waterfront residence located at the entrance of the marina basin within the sought-after Porto Cupecoy Marina Resort. Occupying the entire top floor of a two-storey building, this stylish condo is surrounded by water and enjoys a unique sense of space, privacy, and uninterrupted views. With three separate waterfront terraces, the residence is perfectly designed for taking in the ocean, marina activity, and the vibrant atmosphere of the resort below. Marina 360 is available to rent as either a one- or two-bedroom condo, offering flexibility for couples or friends travelling together.
