Rental Details

The Villa Calabash is a beautifully renovated six-bedroom beachfront villa set directly on the powder-soft sands of Gibbs Beach on Barbados' coveted west coast. Designed to capture the essence of modern island living, the villa blends contemporary elegance with a relaxed tropical atmosphere, creating an exceptional setting for families or groups seeking a refined Caribbean escape. From the moment you enter, the villa's calming design sets the tone. A tranquil koi pond and striking water walls welcome guests into an open-plan living space that feels both sophisticated and inviting.
