Rental Details

The Villa Nestled into the hillside of the exclusive Terres Basses enclave in St. Martin, Villa Sandyline is a world-class private estate designed for sophisticated island living and exceptional entertaining. Blending elegant Provençal architecture with striking contemporary interiors inspired by Philippe Starck, the villa offers a refined yet inviting atmosphere overlooking the Caribbean Sea. An impressive entrance hall leads into expansive living spaces that open seamlessly onto wide pool terraces with uninterrupted west-facing ocean views. The main living room features generous leather sofas arranged around a plasma TV and home cinema system, creating a comfortable yet stylish setting for relaxation.
