Solara

Turks and Caicos, Caribbean, Turtle Tail

Weekly Rental From US$ 45,500 | 14 | 7 | 7

Rental Details

The Villa Solara sits on a private stretch of beach in Turtle Tail, on the quieter south shore of Providenciales, where the water runs a deep, unhurried turquoise and the pace of a day is dictated entirely by the light. Floor-to-ceiling windows draw the sea into every room, and the architecture — contemporary in its lines, warm in its materials — makes a considered argument for the kind of living that moves fluidly between inside and out.
