Turks and Caicos, Caribbean, Grace Bay

Weekly Rental From US$ 98,000 | 18 | 8 | 8.5

Rental Details

The Villa Formerly known as Amazing Grace, Sea Breeze Estate has been reimagined from the ground up — a West Indies classic transformed into a contemporary beachfront masterpiece without losing any of the warmth and character that made the original so beloved. High vaulted ceilings, rich wood accents, and expansive floor-to-ceiling windows define an interior that feels both grand and genuinely liveable, while outside, 7.5 acres of pristine coastline deliver the kind of seclusion that is increasingly rare on Providenciales.
