Rental Details

The Villa Beach Cake is a charming and unconventional beachfront retreat, where laid-back island living meets playful, artistic design. Perfectly scaled and thoughtfully composed, this intimate villa offers a refreshing alternative to larger estates — a space where simplicity, character, and connection to the sea take centre stage. Designed to blur the boundaries between indoors and outdoors, the villa embraces openness and ease. Here, inside flows into outside, gardens are soft white sand, and everyday moments — from morning coffee to sunset cocktails — unfold just steps from the water.
