Rental Details

The Villa Beach Kandi is a refined contemporary beachfront retreat, where striking architecture and sensory design come together to create a deeply immersive island experience. Positioned along the pristine shores of Grace Bay, the villa is defined by its clean lines, natural materials, and seamless connection to the surrounding landscape. A thoughtful blend of exotic hardwoods, natural stone, and sculptural furnishings gives the home a distinctive character — both modern and warm. Expansive openings frame uninterrupted ocean views, while the design encourages a constant dialogue between indoor and outdoor living.
