The Villa Coral House is a grand and elegant beachfront estate, where classic Caribbean architecture meets refined modern luxury. Inspired by the distinctive British Georgian style of Oliver Messel, the villa evokes a sense of timeless sophistication, reimagined for contemporary island living. Set within 1.4 acres of lush, curated gardens, the estate offers a sense of space, privacy, and serenity that is increasingly rare along Grace Bay. High ceilings, airy interiors, and a soft, natural palette create an atmosphere that is both expansive and inviting, while carefully designed outdoor spaces encourage a seamless flow between relaxation and social living.
