Rental Details

The Villa Sandpebble is a sleek and contemporary beachfront retreat, designed for effortless coastal living in one of Turks and Caicos' most relaxed and vibrant settings. Clean architectural lines, open spaces, and a strong connection to the outdoors define the villa, creating an atmosphere that feels both modern and inviting. Set directly on the shores of Turtle Cove, the villa embraces its surroundings with expansive ocean views and sun-filled living spaces that flow seamlessly onto the terrace. The design is understated yet refined, allowing the natural beauty of the sea and sky to take centre stage.
