Rental Details

The Villa Salt Air Villa is a four-bedroom canal-front residence that wears its modernity with ease. Clean lines, a considered two-storey layout and an abundance of natural light characterise this 3,400 square foot home in the Leeward neighbourhood — a property whose intelligence lies not in scale but in the thoughtfulness of its plan. Indoor and outdoor space are handled with equal care: wide openings, a generous upper balcony and a well-proportioned pool terrace ensure that the canal, the breeze and the turquoise water beyond are always present, always within reach.
