## Rental Details

The Villa Goldfinger Villa is a contemporary beachfront retreat positioned directly on the pristine shores of Long Bay Beach, where clean architectural lines, elevated outdoor living, and uninterrupted ocean views combine to create an effortlessly refined island escape. Set across multiple levels and thoughtfully designed to maximise its spectacular setting, the villa embraces the natural beauty of the Caicos Banks while offering privacy, comfort, and a strong connection to the outdoors. Floor-to-ceiling openings, expansive terraces, and an open-plan layout allow cooling trade winds and natural light to move freely throughout the home.
