Haven House – Luxury Turks & Caicos Villa Rental Welcome to Haven House, an imposing oceanfront mansion on Long Bay that is, in every meaningful sense, closer to a private resort than a villa. Set on a private, gated two-acre beachside estate on the southeast coast of Providenciales, this seven-bedroom retreat has been designed for rest and play in equal measure — a home where soft sands, striking sunsets and panoramic ocean views meet tennis, pickleball, basketball and a dedicated games room. Classic Caribbean sophistication runs throughout, but the overall feel remains refreshingly homely and island-easy.
