## Rental Details

The Villa Turquoise Villa is a study in considered simplicity. Clean lines, contemporary architecture and an instinctive lightness of touch characterise this four-bedroom residence in the Leeward neighbourhood of Grace Bay — a villa that makes its impression not through scale or drama, but through the calm intelligence of its design. The palette is resolved from the outset: crisp white throughout, lifted by azure and teal accents that echo the water without reproducing it. The effect is immediate — you step inside and the temperature, both literal and atmospheric, drops pleasingly.
