Coral Pavillion

Turks and Caicos, Caribbean

Weekly Rental From US$ 102,900 | 10 | 5 | 5.5

Rental Details

The Villa There is a particular kind of house that announces itself not through scale alone but through bearing — and Coral Pavilion is precisely that. A two-storey island mansion of neo-classical inspiration, it rises above its grounds with the quiet authority of a property that knows exactly what it is. Soaring columns, graceful arches and considered decorative detail give the architecture a formal elegance that is balanced, in every room and on every terrace, by an atmosphere of genuine warmth.
