Rental Details

The Villa Kailoa Villa is a striking contemporary beachfront retreat on Long Bay Beach, designed to embrace light, space, and uninterrupted views across the Caicos Banks. Newly built and thoughtfully crafted, the villa combines sophisticated architecture with a warm, welcoming atmosphere, creating a home that feels equally suited to family gatherings and quiet island escapes. Spanning nearly 6,600 square feet across two levels, the property is defined by its soaring proportions, refined material palette, and strong connection to the surrounding landscape.
