Rental Details

The Villa Villa Blue Lagoon is a contemporary beachfront retreat positioned directly on the shores of Long Bay Beach, where elevated design and uninterrupted ocean views combine to create a relaxed and highly liveable island escape. Arranged across three levels and thoughtfully oriented towards the turquoise waters of the Caicos Banks, the villa embraces the natural beauty of its setting while maintaining a strong connection between indoor and outdoor living. A distinctive architectural feature is the elevated infinity-edge pool, positioned on the second level to maximise views above the surrounding palms and across the shallow Caribbean waters beyond.
