Rental Details

The Villa Le Bleu is simply the most glamorous villa in Anguilla—an exquisite estate positioned at the mouth of Little Harbour bay with commanding views of Dutch and French St. Martin and St. Barths in the distance. Encompassing approximately 2.5 acres of beautiful tropical gardens, this eleven-bedroom residence combines spacious, modern architecture with the intimacy of carefully designed private spaces. Every room, every terrace, every garden alcove frames an extraordinary view or creates a perfect sense of seclusion. The design speaks to a single philosophy: luxurious Caribbean living uncompromised by scale or expectation.
