Rental Details

The Villa Blue Diamond emerges from Shoal Bay West in a unique flower-shaped silhouette—13,000 square feet of pure architectural theater where modern design meets unbounded luxury. This extraordinary villa commands the beach with sculptural grace, its central gathering spaces ringed by bedroom “petals” that create simultaneous privacy and connection for groups of any size. Floor-to-ceiling windows and soaring 21-foot ceilings transform every room into a gallery where Caribbean light becomes the primary medium. This is a villa engineered for the most discerning entertainers—a place where the grandeur matches the guest list and no detail has been left to chance.
