Rental Details

The Villa Kishti Black Garden is a masterpiece of contemporary design, positioned on Black Garden Bay with commanding oceanfront views. The villa's sleek, modern architecture—created by renowned international designers Cecconi Simone—embraces minimalism infused with Asian influences, creating an atmosphere of serene luxury. Five spacious bedrooms occupy this 8,000-square-foot sanctuary; floor-to-ceiling glass creates transparency between interior comfort and Caribbean vistas. The design philosophy prioritizes light, simplicity, and connection to the stunning location; every element serves either function or beauty, nothing exists merely to impress. This is a villa for those seeking contemporary elegance merged with tropical serenity.
