Rental Details

The Villa Limin’ Da Coconut sits directly on the sands of Little Harbour, a property name that perfectly captures its spirit—the Caribbean art of unhurried living. Six en-suite bedrooms cascade toward the beach across a single level, creating an open, flowing aesthetic where ocean breezes and natural light define every room. This villa embraces the island rather than standing apart from it, with generous open-air spaces and outdoor showers that dissolve the line between inside and outside.
