The Villa Odyssey Villa sits as one of three luxury villas on the prestigious Kamique Estate, a modern sanctuary designed to showcase its stunning southern-coast location. Floor-to-ceiling windows and sliding glass doors dissolve boundaries between villa and Caribbean beyond, infusing every room with island light and breezes. The architecture is airy and open—an island-inspired aesthetic that never sacrifices contemporary comfort or sophistication. From nearly every room, views of St. Maarten's mountains provide a permanent visual anchor, reminding you of the Caribbean's geographical poetry and your villa's exceptional position within it.
