Rental Details

The Villa Santosha Estate is simply the largest and most comprehensive private property in Anguilla—a four-residence compound sprawling across Long Bay Beach, one of the island's most secluded and spectacular shorelines. Originally a personal residence, the estate radiates authentic home warmth despite its considerable scale. The Grand Villa anchors the property as a three-level mansion; three separate guest houses (Bhakti, Chitra, and Ananda) provide independent privacy while remaining connected through manicured gardens and pathways.
