Tequila Sunrise

Jopsey Bay, Caribbean, Anguilla

Weekly Rental From US$ 9,800 | 6 | 3 | 3

Rental Details

The Villa Tequila Sunrise embodies contemporary minimalism at its finest—a five-thousand-square-foot beachfront sanctuary designed by internationally acclaimed architect Sugar George. Three expansive master bedrooms, each with floor-to-ceiling windows and private balconies, frame unobstructed views of the sparkling Caribbean Sea and the distant mountains of St. Martin. The villa's signature negative-edge infinity pool sits anchored on the stone terrace, appearing to spill directly into the ocean beyond.
