Rental Details

Blue Lagoon stands directly on the sand of Barbados' west coast, within the Garden Area — the stretch of coastline long known as Millionaire's Row. The house is one of a small number of landmark beachfront estates along this shoreline, positioned for uninterrupted views across the Caribbean Sea, with the beach itself as an extension of the property. The Villa Approximately ten thousand square feet of living space unfold across contemporary Caribbean architecture, arranged so that the sea is present in almost every principal room.
